

SoundRise Classic Hotel

Part No. N2C-SFQSRH-BLK/WT

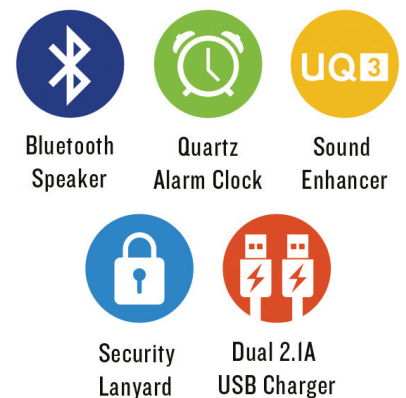

SPECIFICATION

SoundRise Classic Hotel is an alarm clock and bedside speaker to complement a modern lifestyle. With two USB ports, an easy-to-read dial, easy-to-set controls, plus a precision quartz movement with smooth-sweep motion for silent operation, this alarm clock is ideal for most guests. Bluetooth allows guests to stream and enjoy their music with balanced audio and a non-digital clockface reduces unwanted lights and glare for a peaceful stay. SoundRise Classic Hotel is packed with hotel features and an upright design that takes minimal space on the nightstand.

Features

- Dual high-current USB power ports to charge mobile phones and tablets
- Bluetooth 4.2 to stream audio wirelessly from your mobile devices
- Precision quartz movement with continual, smooth-sweep motion
- Full alarm clock features with snooze, gradual-wake volume, and choice to wake up to Bluetooth, line-in, or built-in alarm chime
- Easy-to-read dial with light and easy-to-set alarm with knob on the side
- UQ3 sound enhancement processing
- Custom monophonic driver for balanced audio, natural bass, and vocal clarity
- 3W optimized power for maximum distortion-free volume
- Attached 3.5m line-in cable
