SoundRise Hotel

Part No. N2C-SFQSRH-BLK/WT

SPECIFICATION

The SoundRise Hotel is a custom-designed guestroom alarm clock radio based on the award-winning SoundRise. Guests can enjoy their favorite songs streaming wirelessly through Bluetooth and charge portable devices using the two fast-charging (2.1 Amp) USB ports conveniently located on the top of the unit. The SoundRise Hotel is packed with hotel- and guest-friendly features, such as automatic Daylight Savings Time adjustment, in an upright design that won't take up valuable space.

Features

- Two fast-charging (2.1 Amp) USB ports located on top for easy access
- Bluetooth wireless audio playback
- FM radio and attached 3.5mm line-in cable on rear
- Easy-to-use single alarm with sliding switch for OFF / SET / ON
- Automatic Daylight Savings Time adjustment
- Security lanyard and PSU security guard
- Display dimmer switch to easily control display brightness
- The minimalist and contemporary design fits with most decor
- Vertically designed to have a small footprint; ideal for the nightstand
- Back-up battery
- Max volume limited
