Bringing hospitality together

Empowering Connectivity:

USB-C Solutions for Hospitality

ABOUT US

We specialise in working with hotels - Boutique, Independent and major chains to help designers, contractors, and consultants to deliver a unique range of power, media, and charging solutions which are practical, innovative, and scalable to accommodate the full-service guest experience. We offer fully customisable configurations, finishes, and design.

Our innovative connectivity products are designed specifically for the hotel guest room, helping your guests make the most of their portable devices during their stay.

Today's guest's check-in with multiple portable devices they are familiar with and want to use them. They want to watch their own movies and TV shows, play their own games, and listen to their own music.

They need easy-to-find and easy-to-use methods for charging and connecting their devices.
